∴ Thaddeus completed the SEA games triathlon time trials on 24th June 2007. He clocked a personal best time of 2 hrs 9 mins. We continue to remember Thad as he is fondly called and to mark the **9th Anniversary** of his return to his eternal home, a 5 km run is being held in his memory. We are thankful for being able to do this every year for the past 8 years. Thank you to all who have participated in past years' runs and we look forward to your continued support. ∴

Go, Thaddeus!

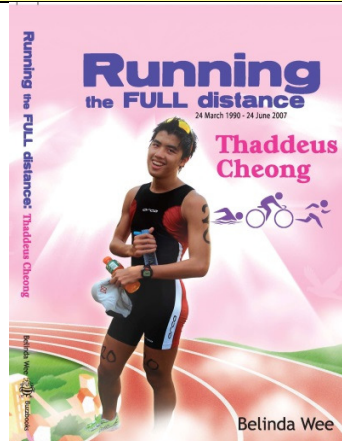

- We miss you and this run is for YOU from all of us
- With your passing, we learn to "Live Life to the Fullest" just as you did when you were with us
- We will continue to encourage healthy living through running which you loved
- You will always be remembered

Thaddeus' Motto

LIVE STRONG!

Thank you for all your continued support and participation
